

THANK YOU, MiED SPONSORS!

We continue to expand low-cost and no-cost MiED access for Michigan's school administrators. And we couldn't do it without our advertisers.

But we want to do more. So, we launched our new sponsor program. We are looking for businesses and organizations willing to partner with us in this effort.

Four companies jumped in early – Northland Securities, Triangle Associates, MESSA, and Thrun Law Firm, P.C.. They are contributing above and beyond their advertising fee to help keep school prices down.

Interested in becoming a sponsor and supporting Michigan's schools?
